WHAT IS THE RODEL TEACHER COUNCIL?

A group of local teacher leaders dedicated to finding solutions, improving their craft, and leveraging their voices for the benefit of their students.

Members are at the center of advancing statewide policies and informing practice to make teaching and learning in Delaware more student-centered, meaningful, and equitable.

WHERE THEY TEACH

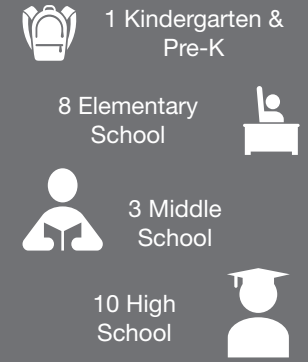

WHAT THEY TEACH

Math
English
Theatre
Elementary
Social Studies
Teacher Academy
Business Education

WHO THEY TEACH

WHAT THEY HAVE ACCOMPLISHED

Secured commitments from all Delaware colleges and universities to accept competency-based transcripts, which positions the state as an emerging leader in competency-based learning.

Launched and participate in a nationally recognized statewide social emotional learning leadership group to establish common expectations for what students should know and be able to do.

Changed at least five key policies including enabling teachers to earn continuing education credits and personalize their professional development through microcredentials

30 Released six policy briefs and authored over thirty blogs and op-eds

6 Participated in six statewide committees and taskforces

WHAT THE ALUMNI ARE DOING NOW

93% of alumni have served in a leadership role and/or have been active in education policy including:

Piloting a new initiative

Serving on a district committee

Maintaining relationships with legislators

Participating in other teacher leadership fellowships
