Sussex County Relief Program

A service referral and financial relief program, this program is made possible by the generous support of:

We envision a Delaware where generosity expands opportunity for all and enhances the common good. Our mission is to improve the lives of the people of Delaware by empowering and growing philanthropy through knowledge and relationships, now and in the future.

The help provided to your family is being made possible from the Arsht-Cannon Fund established at the Delaware Community Foundation by the late Roxana and Samuel Arsht, children of immigrants - who led and loved Delaware. Please see our dedication to Delaware's Latino families at www.arshtcannonfund.org

Philanthropy Delaware advances philanthropy in the First State by connecting key stakeholders to drive meaningful impact for all Delawareans. Our vision is a just, vibrant, and thriving Delaware through effective, strategic, and impactful philanthropy.
